

# Maxim Dudai

Front End Web Developer

 January 11, 2003  maxim.dudai01@gmail.com

 max-dev.netlify.app

 maxd-dev

 maximdudai

Dedicated JavaScript developer with skills in React and Tailwind CSS, focused on creating engaging web experiences. Strong understanding of the value of continuous learning and research, with the ability to quickly adapt to new technologies. Confident in design and development of user-friendly websites, committed to utilizing resources for growth and success.

## SKILLS

HTML, CSS, SCSS/SASS, Bootstrap, Tailwind CSS, JavaScript, React

Git/Github, MySQL, PHP7

## PROJECTS

### GitSearch

GitHub Profile

The project leverages the power of the GitHub API to provide users with an easy and efficient way to view GitHub profile information without having to navigate to the GitHub website.

- Design optimized for seamless compatibility across all devices.
- Leveraged the GitHub API to retrieve and display users' profile information

React, Tailwind CSS, REST API

### Currency Convert

(March 03, 2023 - Present)

Exchange Money

Exchange App is a web application that allows users to exchange money and cryptocurrencies using exchange rates from the CoinMarketCap and CurrencyLayer APIs.

- Exchange money between different fiat currencies (ex: EUR to USD).
- Get up-to-date exchange rates from the CoinMarketCap and CurrencyLayer APIs.
- Craft a responsive design that delivers a seamless user experience on both desktop and mobile devices.

React, Tailwind CSS, REST API

### eBooks Shop

(August 02, 2022 - January 29, 2023)

Online eCommerce

A virtual bookstore offering a seamless shopping experience for book lovers. To access the store's vast collection and make purchases, users must first create an account and log in with their unique credentials.

- Design optimized for seamless compatibility across all devices.
- Advanced book search platform enabling users to easily locate their desired books by applying various filters.
- A comprehensive admin panel that grants full control of the website to the administrator, including the ability to add new books or categories, manage registered users by accessing their account information and history purchases.

## CERTIFICATIONS

### Full Stack Web Developer

CEAC

- Web Development certificate with studies in HTML5, CSS3, JavaScript, Bootstrap, GitHub, PHP7 and MYSQL.
- July - 2022 / April-2023

## INTERESTS

### Video Games

Passionate about video games, I've honed strategic thinking, problem-solving, and teamwork skills. Beyond leisure, I engage with immersive narratives and stay current with industry trends.

### Tech Industry

My keen interest in the tech industry drives me to explore its rapid evolution. With a solid grasp of emerging trends, I'm committed to lifelong learning and applying insights to innovative projects. Eager to contribute to the ever-changing landscape of technology.

### Sports Practice

Through regular engagement in sports, I maintain an active and healthy lifestyle. Dedication to various disciplines has honed my skills in discipline, endurance, and personal growth. This passion reflects my commitment to seeking physical and mental balance, contributing to overall well-being.

## WORK EXPERIENCE

### ICEL

(September 25, 2021 - Present)

#### Experienced Machine Operator

Experienced machine operator at ICEL, skilled in both manual and automated operations to manufacture individual or serial parts using various tools and equipment, including robotic systems. Proficient in detecting and flagging defects in products based on predetermined specifications. Proficiently handle machine maintenance, setup, and adjustment tasks while adhering to stringent safety, hygiene, and environmental standards.

## STAGES

### Assistant Coach

During my internship as an Assistant Coach at Nazaré Athletics Club, I actively contributed to athlete development and improvement. Working closely with the Head Coach, I played a key role in planning and executing effective training sessions. My focus on individualized guidance and detailed performance analysis fostered a dynamic and progressive learning environment.

- Active involvement in preparing and conducting training sessions, tailoring exercises for different athlete groups.
- Providing personalized feedback to enhance specific techniques and skills.
- Thorough analysis of athlete performance, identifying strengths and growth areas.
- Maintaining a motivational approach to encourage and support athletes.
- Assisting in training logistics and event organization for an efficient environment.
- Monitoring athlete progress and tracking improvements over time.
